

Part Time Career Opportunity ABA Behavior Technician

Precision ABA, LLC is a company dedicated to enhancing the lives of children and their families by providing quality therapeutic services. We utilize research-based Applied Behavior Analysis techniques and Precision Teaching methodologies proven to give children the tools they need to succeed in all areas of their lives.

We are looking to hire part time ABA therapists to work under the direction, guidance, and coaching of a Board Certified Behavior Analyst (BCBA). You will work directly with the child in his/her home and/or clinic, implementing individualized behavior support plans with fidelity to meet the child's unique needs. Day time, evening, and weekend hours are flexible and based on family and therapist availability. Locations are available in the Western Suburbs, Southern Suburbs, and the Northwest side of Chicago. A perfect job for new or experienced teachers, paraprofessionals, or tutors! You can grow in your career and enhance your professional skills

Precision ABA offers:

- **Extensive** training provided by a BCBA: we oversee 100% of sessions until our team members show proficiency, comfort, and confidence
- Competitive hourly compensation
- Performance based pay with **raises available quarterly**
- Professional liability insurance
- Opportunities to collaborate with and learn from other professionals
- Continuous learning opportunities
- Paid drive time in between sessions
- Learn while you earn

Essential Functions:

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Behavior Technicians will have to consistently apply the principles of ABA in all interactions with children and families, implement individualized behavior plans with fidelity under the direction of the BCBA (Board Certified Behavior Analyst), and teach the children to acquire language, academic, self-help, and social skills as stated in the plan. Team members are expected to communicate in a professional and respectful manner with children, parents and other family members, BCBA's, and other team members. At Precision ABA, we support all team members and assist with ideas, suggestions, and work duties. Behavior Technicians should actively participate in staff training programs designed to increase overall knowledge and skills.

All team members may be asked to assist in creating instructional materials, write progress reports, and other requested written assignments related to the clients. It is expected that team members effectively respond to and manage crisis situations, which may include client physical aggression. Behavior Technicians must complete daily paperwork and data collection notes in a detailed, accurate, consistent, and timely manner. At Precision ABA, all team members are required to maintain regular communication with supervisor and report crisis situations and other unusual incidents immediately. All team members are expected to attend and participate in required meetings.

Behavior Technicians must follow Precision ABA, LLC's policies and procedures.

Qualified candidates must possess:

- Bachelor's degree in Education, Psychology, or related field (in pursuit of a Master's in ABA and/or BCBA or RBT certification preferred)
- Experience working with children with Autism
- Energetic, passionate, personable and a team player
- Reliable transportation

Join our team . . . Help shape a child's future!
